

CO-RO FOOD A/S have been working with WUP in Poznan in the matter off seeking employees for our industrial production in Denmark. The Poznan office have been handling all the practical matters, receiving applications and inviting the candidates for the first jobinterview, all have been handled very proffessionally. CO-RO FOOD A/S have participated in a job fair in Poznan arranged by WUP, this fair was also very wel-organized and a great success. We hereby give WUP our very best recommandations.
